

Rector's Circular
on Re-introducing Education with Personal Attendance
for the Artist Specialization

1. The Hungarian Government has issued its decree No. 234/2021. (V.6.) in its Official Bulletin No. 82/2021 modifying the second phase of safety measures in emergency situations (No. 484/2020 (XI.10.)) According to this, the rectors of institutions of higher education are entitled to decide about organizing education with personal attendance, particularly in cases of practical subjects and assessment of knowledge, as prescribed in education and examination regulations. All must adhere to necessary safety precautions. This decree comes into force on 10th May, 2021.
2. Authorized by the law I have made the following decisions:
 - 2.1. For all specializations and grades at the Institute for Artist Training the entire education will be restored to instruction with personal attendance from **10th May, 2021**. For professional subjects instruction will go on until 30th June, 2021 with the additional remark that examinations should preferably be organised during the same period, with due cause until 3rd July, 2021 the latest. Both the timetable and the order of examinations will be consented by the head of the institute. Theoretical subjects taught at the secondary grammar school (with personal instruction) will be in accordance with the work schedule of the school year.
 - 2.2. All previously introduced safety precautions to ensure personal instruction and personal attendance must be observed and kept.
3. The above measures enter into force on 10th May, 2021.

Budapest, 7th May, 2021.
